(3) Paragraph (4) applies (instead of paragraph (2)) if all cash payments to be made to any one member in a particular month only relate to any benefits or additional benefits that the member is entitled to under regulation 13A by virtue of being any one or more of the following:

- (a) an eligible Group A worker, if the cash payments relate to the applicable year 2025, 2026, 2027 or 2028;

(11) To avoid doubt —

- (a) a reference to a relevant contribution in paragraphs (5) to (10) excludes an additional relevant contribution under regulation 13E; or
- (b) this regulation does not apply to the payment of an amount permitted to be withdrawn under section 57DA(1) of the Act.

(12) In this regulation, “additional benefit” means the benefit that a member is entitled to receive under regulation 11, 12, 13 or 13A as a result of a review mentioned in regulation 9 or a waiver mentioned in regulation 10(3), less the amount of benefit that the member was determined by the Board to be eligible to be paid (before the application for the review or waiver), if any.

PART 6

ADMINISTRATION

[S 156/2025 wef 06/03/2025]

Recovery of benefits

14.—(1) Where the Board may, under section 57C of the Act, recover on behalf of the Government any cash payment or relevant contribution received by a member, or any part of it, the Board may —

- (a) require the member to pay to the Board, in cash, the whole or such part, as the Board may determine, of the amount of the cash payment or relevant contribution or part of it; or
- (b) deduct, from any money standing to the credit of the member in the Fund, the whole or such part, as the Board may determine, of the amount of the relevant contribution or part of it.

(2) For the purposes of paragraph (1), the relevant contribution that the Board may recover from the member on behalf of the Government includes any interest paid on the relevant contribution.

Opting out and opting back in to Scheme

14A.—(1) An eligible member may apply to the Board, in the manner and form that the Board requires, to stop receiving any benefit under the Scheme.

(2) If the Board approves an application under paragraph (1), then starting on the date that the Board determines (called in this regulation the opt-out date) —

- (a) no cash payment will be made to the eligible member whose application under paragraph (1) is approved (called in this regulation the opted-out member);
- (b) no relevant contribution will be credited to any of the opted-out member's accounts in the Fund; and
- (c) no additional relevant contribution will be credited under regulation 13E to any of the opted-out member's accounts in the Fund.

[S 156/2025 wef 06/03/2025]

(3) To avoid doubt, paragraph (2) applies to stop the payment and crediting of any benefit under the Scheme, including any benefit to which the member was entitled before the opt-out date which has not been paid or credited before that date.

(4) An opted-out member may apply to the Board, in the manner and form that the Board requires, to resume receiving benefits under the Scheme.

(5) If the Board approves an application under paragraph (4), the Board must resume making cash payments and crediting relevant contributions or additional relevant contributions in accordance with these Regulations with effect from the date determined in accordance with paragraph (6) (called in this regulation the effective date).

[S 156/2025 wef 06/03/2025]

[S 176/2025 wef 20/03/2025]

(6) Subject to paragraph (7), the effective date is a date that the Board determines —

- (a) for the purposes of regulation 11 or 13A (in relation to an eligible employee, eligible Group A worker, eligible Group B worker and eligible employee-platform worker) — in the applicable year following the applicable year in which the Board approves the member's application under paragraph (4); or

[S 156/2025 wef 06/03/2025]

- (b) for the purposes of regulation 12, 13 or 13A (in relation to an eligible self-employed person) — in the relevant year following the relevant year in which the Board approves the member's application under paragraph (4).

[S 156/2025 wef 06/03/2025]

(7) If the Board thinks fit in a particular case, the Board may resume making cash payments and crediting relevant contributions or additional relevant contributions under paragraph (5) to any of the eligible member's accounts in the Fund before the effective date.

[S 889/2019 wef 01/01/2020]

Withdrawal under section 57DA(1) of Act

15.—(1) For the purposes of section 57DA(1)(b) of the Act, the Board may permit a withdrawal by a member under that section —

- (a) if the contribution amount mentioned in that section is an additional relevant contribution credited to the member's account in the Fund under regulation 13E;

[S 156/2025 wef 06/03/2025]

- (b) if the contribution amount mentioned in that section is an amount earlier withdrawn by the member under section 57DA(1) of the Act that is restored to the member's account in the Fund under regulation 16(1); or

- (c) if the member's application under regulation 14A(1) to stop receiving benefits under the Scheme is approved by the Board.

[S 889/2019 wef 01/01/2020]

(2) For the purposes of section 57DA(2) of the Act, the prescribed time for a member's application to the Board under section 57DA(1) of the Act is as follows:

- (a) where the application concerns an additional relevant contribution mentioned in paragraph (1)(a) — within 2 years after the date the additional relevant contribution is credited;
- (b) where the application concerns an amount restored under regulation 16(1) mentioned in paragraph (1)(b) — within 2 years after the date the amount is restored to the member's account in the Fund;

[S 889/2019 wef 01/01/2020]

- (c) where the application concerns any benefit under the Scheme credited to the member's account in the Fund before the application mentioned in paragraph (1)(c) is approved — on or before 31 December of the second year following the applicable year or relevant year (as the case may be) for which the benefit is credited.

[S 889/2019 wef 01/01/2020]

(3) Where the Board permits the withdrawal by a member under section 57DA(1) of the Act, the Board may —

- (a) retain in the member's account in the Fund, the whole or part of any interest earned on the amount permitted to be withdrawn; or
- (b) transfer to the general moneys of the Fund, the whole or part of any interest earned on the amount permitted to be withdrawn.

Treatment of moneys not successfully paid out of Fund

16.—(1) Subject to paragraph (3), where —

- (a) any amount has been permitted to be withdrawn by a member under section 57DA(1) of the Act; and
- (b) the amount has not been successfully paid to that member, or the instrument in respect of such payment has been returned to the Board or has expired,

the Board is to restore the amount, or the value of the instrument, to the member's account in the Fund as soon as practicable after the Board is notified of the unsuccessful payment of the amount or the instrument is returned to the Board or expires, as the case may be.

(2) Where an amount or the value of an instrument is restored to the member's account in the Fund under paragraph (1), the Board may credit to the member's account in the Fund (in such manner as the Board considers fit) the whole or such part, as the Board may determine, of the interest that would have been payable on the amount or value restored if that amount or value had not been debited from that account.

(3) The Board may, before restoring the amount or the value of the instrument to the member's account under paragraph (1), make further reasonable attempts to pay the amount mentioned in paragraph (1)(a).
